

Navigating the Sutter Health Network

Sutter Specialty Network

Coordinating care

At Sutter, we understand healthcare can be complex, so we're here to help make it easier. We are focused on delivering seamless high-quality healthcare—all with an emphasis on a more user-friendly, patient-centered experience. Through this approach, doctors and hospitals can work together to ensure patients get the care when, where and how they need it.

Whether you are new to Sutter or an existing patient, you may need help navigating our comprehensive network of services. We have a team available to help you and your family coordinate medical and support services between caregivers to provide:

Access to over 5,000
clinicians from primary
care to specialists

Support for all your referral
needs, including specialty
referrals from providers outside
the Sutter network

Assistance locating
services and programs
throughout our
entire network

We're here to help! Call 855-421-2904 or chat on demand with an agent Monday through Friday, 8:00 a.m. to 5:00 p.m PT. For more information, please visit sutterhealth.org/ssn.
